

Friends of Legacy Christian Academy Informational Letter

Dear Families,

In an effort to provide more opportunities for parents to get involved in making Legacy Christian Academy the best school it can be, we have organized a new parent association, Friends of Legacy Christian Academy. The purpose of this organization is to support Legacy Christian Academy by providing volunteers and aiding in communication efforts with parents. Dues and any money raised will be used to meet the special needs for our teachers and staff. Our organization is not meant to compete with the already active Athletic Booster Club, but to provide an organization that ALL families will be involved in alongside the Booster Club.

We want ALL FAMILIES to join Friends of Legacy Christian Academy to show our support for our teachers and staff. **Dues are only \$20.00 per family.** Our funds will be used to support special needs that our teachers and staff may have that are not covered by the school budget. Also to provide gift cards for our teachers and staff at Christmas to show our love and support for the people who make such a difference in the lives of our children.

Families who have paid their Friends of Legacy Christian Academy dues and signed the Dues & Directory Permission Form will receive a directory when printed. Extra directories can be ordered for an additional \$5.00 each. We will only be able to print your child's information in the directory if you have given us your written permission to do so and enclosed your dues.

Please prayerfully consider volunteering for one or more of our Parent Association committees this year. Our success is dependent upon YOU! **Please return the Volunteer Opportunities Form and the Dues & Directory Permission Form by October 14th, 2009.** I hope that we have 100% of our families included in the directory this year!

If you have any questions or suggestions, please do not hesitate to contact me!
