

# World History

## Syllabus: 2009-2010

**Teacher:** Mrs. Jean

### **Course Description:**

This course covers world history from ancient times to the nineteenth century, with emphasis on the cultures of the western world. Traditional historical points of reference in world history as outlined in TEA objectives are identified as students analyze important events and issues in western civilization as well as in civilizations in other parts of the world. Students evaluate the causes and effects of political and economic imperialism and of major political revolutions since the seventeenth century. Students examine the impact of geographic factors on major historic events and identify the historic origins of contemporary economic systems. Students analyze the process by which democratic-republican governments evolved as well as the ideas from historic documents that influenced that process. Students trace the historical development of important legal and political concepts. Students examine the history and impact of major religious and philosophical traditions. Students analyze the connections between major developments in science and technology and the growth of industrial economies. This course will focus on Christian history and biblical principles that are interwoven throughout all of world history. Students will also study historical themes demonstrating the interrelations of ideas and events of the past and how they affect contemporary life. Students will use the process of historical inquiry to research, interpret, and use multiple sources of evidence.

### **Course Goal:**

A focus for this course is that students would gain a new appreciation for history and would begin to see historical figures as very real people. Students will learn to investigate for answers from a variety of sources, analyze research, and be able to present their conclusions in a logical manner. The students will gain a competent knowledge of events, peoples, causes, effects, and ideas that have shaped the world that we live in today through a Christian perspective.

### **Course Scriptures:**

**Job 12:23** "He makes nations great, and he destroys them; he enlarges nations, and leads them away."

**Daniel 2:20-21** "Daniel answered and said, 'Blessed be the name of God forever and ever, to whom belong wisdom and might. He changes times and seasons; he removes kings and sets up kings...'"

**Ezekiel 7:27** "The king mourns, the prince is wrapped in despair, and the hands of the people of the land are paralyzed by terror. According to their way I will do to them, and according to their judgments I will judge them, and they shall know that I am the Lord.'"

**Revelation 15:4** "Who will not fear, O Lord, and glorify your name? For you alone are holy. All nations will come and worship you, for your righteous acts have been revealed."

**Course Materials:**

- Every student will bring the following items to class **each** day:
- Textbook: *World History: The Human Experience* by Glencoe/McGraw Hill
- Three-ring Binder with tab dividers      **Focus Homework Notes Handouts Projects**
- Lined notebook paper to fit three-ring binder
- Blue or Black ink pen
- #2 Pencil
- Large Cloth Book Cover

\*Teacher will be using *English Standard Version Bible*

**Grading:**

Homework, Daily Work, Quizzes	<b>30%</b>
Tests, Projects	<b>70%</b>

**Course Procedures:**

All assigned work is expected to be turned in at the appropriate time. If a student is absent due to a school activity, all work **must** be turned in by due date without assessing a late penalty, as per handbook policy. If a student is absent due to illness, homework and daily work will be due upon the student's return to class. **All projects are due on due date – no exception.** There will be plenty of advance notice as to when all projects are due so that this should not be a problem.

**Final Exam:**

A final, comprehensive exam will be given at the end of each semester. The final will be taken from all the chapter exams.

**Homework:**

Most assignments need very little explanation and can be completed in class if a student chooses to use his/her time wisely. All assignments are due at the beginning of the class period. Late work will be accepted within 24 hours for 80% credit. Once this time period has passed, students will have one week from the date the assignment was due to turn it in for 50% credit. After that, it will be a zero. Please choose to turn in every assignment. A zero on any assignment, but especially a major assignment is hard to overcome. Staying organized and being disciplined is the key to being successful.

**Projects:**

Details will be given on separate handouts.

**Availability:**

Mrs. Jean is available during conference periods (A2 and B1), and enrichment sessions after school by appointment.
